THE WILDERNESS ESCAPE—VBS

We are sad to announce that we will NOT be moving forward with VBS this month. We partner with Nampa Church and due to the upswing of positive tests in the treasure valley, and going back to stage 3, Covid, we both feel it may not be safe for everyone this year. Nampa Church has a VBS staff member who has recovered from Covid and now one of their children that was registered to attend VBS has just tested positive.

We will miss seeing those happy little faces this year. The good news is we are ready for next year! Thank you to all of the faithful volunteers who have cleaned your schedules to make VBS happen. Looking forward to next year.

VOLUNTEERS—REMINDER

We are so blessed to have over 230 volunteers, and we thank each of you for serving to expand God's kingdom! Our Idaho Conference has voted a NAD policy that all local volunteers be required to have background checks. We are already doing this with volunteers that work with children. This wider inclusion for all volunteers is an added measure for the safety of our children and, although requiring more involvement to maintain, is time and energy well spent. If you are renewing your screening (every three years), you may receive email reminders from ncsrisk directly. If you have completed this process for another Adventist group (volunteering at BVAS or GSAA or another SDA Church in the NAD) you do not need to complete the process again. Either add Cloverdale to your organizations, or let the church office know and we can ask the

conference office to search for your name (the system does not automatically find you).

The Cloverdale church will cover all costs associated with the screenings. If you have not yet completed the screening process, please go to : www.ncsrisk.org/adventist and follow the instructions.

If you are sitting at home with nothing else to do, now is the time to finish this task! Thank you to those who have taken the time to complete this process!

ANOTHER SCAM

I (Pastor Chris Evanson, Nampa SDA Church) wanted to share with you that I have received several scam calls in the last week from a recording pretending to be from the Social Security Administration. They request you to “press 1” to speak to someone to fix some fraudulent activity with your social security number. I want to encourage you to not pay attention to these calls. Please hang up and do not give them any information. If you have concerns, call the Social Security office at (855) 377-9316. I talk with someone at the Social Security office today and they will never call asking for information. They will always mail you a letter asking you to call them. So, please, don’t get duped in this mess and don’t let your family members get sucked in.

## **RENTAL (ROOM) NEEDED**

My name is Hannah Rasmussen, and I'm a SDA woman studying midwifery. I am currently looking at moving into the Boise area for training, and am wondering if there might be any Adventist families or elderly couples or ladies in your church who would possibly consider opening a room up to me in exchange for house/yard help or rent. It would be from this summer (possibly as early as the end of June) for 1 year. I'm not picky as to how small the room so long as I can stretch out to sleep and have access to bathroom facilities. As a midwife's apprentice, though, I will have to come and go at odd hours probably 1-3 times per month, but I will do so as quietly as possible. If you can accommodate this request, please email Hannah at [HannahJRasmussen@gmail.com](mailto:HannahJRasmussen@gmail.com).

## **ROOM WANTED IN CHEERFUL CHRISTIAN HOME**

I'm a joyful, thoughtful, mature single woman looking to live with another single woman (or two) or possibly a couple or family. I'm an extrovert, a good sense of humor and am drawn to others who can be light-hearted as well. I enjoy having quiet times, reading, writing to family and friends, watching documentaries and films on my iPad (no noise for others), learning new things each day (to keep my curious mind active) and being outdoors whenever possible.

During "normal" times, I enjoy going on field trips with groups from the Senior Center, attending musical concerts, taking classes through churches or community centers, and meeting up with friends. I have excellent references including one from the wonderful couple I lived with for the first three years I was here in Boise.

No one is moving in to take my place where I live currently. Right now I have until July 10th to move out. If I have a firm offer from another homeowner that is later in the month or at the end of July, I'll request a later move out date.

If you have an empty room you aren't using or you know of someone who would appreciate having housemate and some extra income each month, please call Giselle at 480.789.2426 to discuss. I really want to live in a Christian home where a God is welcomed and clearly present there.

P.S. Please know when I say "housemate" I don't mean "houseguest". I am very responsible in taking care of my needs and I prepare all my own meals, do my own cleaning in all the areas I use, and take care of my own laundry (on the days when you aren't using the washer and dryer).
